

Supervisor's Report
February 21, 2023

1- Financial Report

- Details of all income and expense transactions have been filed with the town clerk.
- Account balances as of February 21, 2023 for the general fund, highway fund, capital improvement fund, and street light fund have been filed with the town clerk.

-I will wright up a letter for Tess to put in the paper for bids to install the fence and backstops at the ball fields this week. Pete also mentioned that a couple bricks come loose off the chimney. I will also advertise for bids on fixing and re pointing the town hall. I have pictures of a couple ideas for the new welcome to Russell signs. If the board can approve one I will get them made. We have received all the property tax money, and the first qtr. sales tax check for \$122,559.95. It is about \$22,000 over my estimate. I would also like to sign a contract with Peggy Mousaw to file our ARPA report again for the year. She handled it for us last year and knows the programs.
