

Supervisor's Report
April 18, 2023

1- Financial Report

-Details of all income and expense transactions have been filed with the town clerk.
-Account balances as of April 18, 2023 for the general fund, highway fund, capital improvement fund, and street light fund have been filed with the town clerk.

-The fence and backstop work are coming along good. I would like to thank Pete, Bobby, Richard, and the highway men for the help. It is looking like it will be playable with in the next couple weeks. I have measured, and it will take 21 yds of concrete to finish the rest of the pavilion. I am hoping to get that formed in and set up a date to pore this weekend. We have got a lot done down there in the last couple weeks, and I hope spring continues to let that happen.
