

Supervisor's Report  
June 20, 2023

1- Financial Report

- Details of all income and expense transactions have been filed with the town clerk.
- Account balances as of June 20, 2023 for the general fund, highway fund, capital improvement fund, and street light fund have been filed with the town clerk.

-The fences are coming along good. I have a few more top rail connectors to pick up and the smaller field fences will be done. The pee wees were supposed to get a load of top soil to feather in under the back stops to fill the gaps. If it is ok I will just have the highway personnel just dump some off to finish. The little league season has pretty much come to an end and I will have the highway personal pull the old backstop up at the big field and begin the work there. I have spoken to the old-timer's teams and they will help with the work and play on an alternate field until completed. I will get with Andy Wood again and see if we can get a date to finish the concrete work and finish the cooking and bathroom area. Concrete has been difficult to get or schedule.

Timothy White  
Town Supervisor
