

Supervisor's Report  
October 17, 2023

1- Financial Report

- Details of all income and expense transactions have been filed with the town clerk.
- Account balances as of October 17, 2023 for the general fund, highway fund, capital improvement fund, and street light fund have been filed with the town clerk.

-I would like to thank everyone for the help at the ball fields. The concrete came out nice it will make parties and games a lot nicer down there. I am glad things are starting to come around. We finally got some bids on the town hall work we will discuss later. I hope everyone had a chance to look at the tentative budget. It was an increase of 1.96% total from last year and will keep taxes about the same from the past six years. We have worked hard to keep taxes from changing and I hope that can keep happening.
